“ *Miss Sarah, You were one of the kindest people I ever met, and you will be missed, not only by your family and friends, but by our family as well. I remember you always being there with a cold drink when I finished cutting your lawn as a kid! Getting to know you as I worked with Captain Ed were some of the best times of my life. While Captain Ed was in charge on the water, there was no doubt, you were the rock on the shore that kept everything together. We will miss you!*

“ Miss Sarah, we love you and will miss you terribly. I'll cherish all the memories of my childhood on the SAROMA FIVE fishing with Captain Ed and visits at your house as I moved around the country with the coast guard. You always put others first and were such a loving person. I still laugh today when I think of your interrupting the chatter between charter captains with a stern "Edward Leroy Kipp!" when Captain Ed would forget to check in with you over the radio in the mornings. :) you were the mom of the fleet for sure! We love you, rest in peace and thank you for showing me so much love throughout my life.
