

Sat Dev Sama

March 4, 1939 - September 13, 2022

On Tuesday, September 13, 2022, Sat Dev Sama, loving Father and Grandfather, peacefully passed away at the age of 83.

Sat Dev, born on March 4, 1939 grew up in Okara, Pakistan as one of seven children. He migrated with his family to India in 1945. His family owned a successful desi ghee company that he eventually began to work for after he graduated from grade school.

He in time got married to Shakuntla Devi and they welcomed three healthy children to this world. As a father, Sat Dev was very passionate about his family. He worked hard for them and disciplined his kids with being strict, yet showered them with his kind heart and love. He enjoyed traveling, fishing and spend time with his grandkids.

By the end of his life, Sat Dev was a proud grandfather to nine grandchildren. He loved to tease his grandkids and teach them to drink milk mixed with diet coke, a staple drink in his household. He wasn't a man of many words, but he flashed his goofy smile from time to time. His legacy is carried by his three children, Sunil, Kiran, Pawanesh and many grandchildren.
