“ We would like to express our sympathy to my niece Sally and all the Villarreal family for the loss of Sergio. We remember him as a child growing up and hanging with our son Marcos when he lived here and still came to visit us in Bakersfield. He will be dearly missed but never forgotten. May he rest in peace. Love your tios in Bakersfield. Mickey and Romie and our entire family.

“ Sergio was my boyfriend in high school. I have not spoken to him in years but I would sometimes think of him hoping he was doing well. The news of his passing and how is horrible. I will always remember the many memories we shared. I feel bad for his mother Celia and his family. I know Sergio is in a better place. May God have mercy on his soul. Rest is paradise!

*I didn't find out about Serg until about 4 years ago. It broke me. I could never find the strength to go visit Celia. I hope she and him forgive me. I loved Sergio like a brother and I miss him everyday.*
