“ *To Sheila's family what can we say I still cannot believe that Sheila's gone such a strong beautiful woman. When you met Sheila her Aura just seemed to surround you, making you feel loved and special, she always saw good in people and never judged them. In the UK Sheila made a big impression on the people who met her. I can honestly say she was loved and will be missed on both sides of the Atlantic. I am still in Thailand, but will be thinking of all your family and Sheila on the 24th March. We sent the flowers to the Chapel. Love to you all from Lynn and George x*

“ I was so saddened to hear of Sheila's passing. I first met Sheila when she taught at Mt. Whitney, but really got to know her when she came to Sequoia High School. I admired her energy and enthusiasm for working with At Risk students. She was a wonderful ESL/ Reading Improvement teacher, beloved by students and teachers alike. Sheila was an occasional addition to our retired teachers group, and it was always special for her to be able to join us as she courageously battled cancer. She will be missed. I will not be able to attend her celebration of life, but I send my deepest condolences to all of her family.
