June 6, 1989 - June 15, 2023

Shelley Diane Gallagher, a beloved wife and mother went to be in the healing arms of the Lord on Thursday June 15, 2023. Shelley was born on June 06, 1989 to Michael and Midge Stover in Visalia, California. She was a graduate of Tulare Union High School. Shortly after, she married the love of her life and high school sweetheart, Andrew Marc Gallagher on October 15, 2011. They built their life together in Tulare, California. After welcoming their first child in 2017, Shelley was able to fulfill her dream of being a stay at home mom. They then welcomed their second child in 2019.

Shelley was diagnosed with inflammatory breast cancer on May 18, 2022. We were blessed to make many memories before she was granted eternal healing.

Her beautiful life will be cherished through the lives of her loving husband of 11 years, Andrew, their two boys, Lane: 6 years old and Cody: 4 years old; parents Michael and Midge Stover; sister Katie Hill (Jesse); brother Clay Stover (Tiffany); In-laws Eddie and Kathy Gallagher; brother-in-law's Ryan Gallagher (Kelsey); and Joseph Gallagher.
