June 15, 1969 - January 22, 2023

Shelly Sue Miller (Wilkinson)

"Suggie"

January 22nd our mother, sister, aunt, niece, cousin, and daughter passed away suddenly: too young, and far too early.

She leaves a grieving family: Daughter's Megan Blankenship and Makayla Morgan and their husbands, Connor and Chase; Her closest friend and ex-husband, Roky; Siblings Kimberly Lewis and Richard Wilkinson and their spouses, Edward and Michelle, and their families; her mother Barbara Dowdy and her husband Leo; as well as an extensive extended family and friends.

A lifelong resident of Visalia, She dedicated her life to raising her daughters, heading her household, and eventually becoming a hospice nurse caring over those who needed to be cared for.

Graveside Services will be held on Wednesday, February 8th, at 12:00pm at the family plots inside Visalia Cemetery...all the hearts she has touched are encouraged to attend.

Services have been entrusted to Salser & Dillard Funeral Chapel. Memorial Tributes and condolences may be offered by logging onto [www.salseranddillar](http://www.salseranddillar.com)

“ *Shelly, you always smiled and made me feel you were happy to see me❤️ thank you for helped me with sewing my name on a pillow in jr. High!*

My most memorable moment with her was when Connor, my son, and her daughter , Megan were married. As we walked down the isle away from the ceremony,we shared a glacé, smiled and held hands. It was cool. I told her she was, “my sister mom,”.we were both so proud!

I promise I will speak of you to our grandchildren and remind them how much love you have for them and how much you wanted them! Also, I will honor your request of not allowing them to eat dirt! You will always be Suggie, forever a piece of their hearts, and their guardian 🙏

I truly believe you are in an amazing place of peace and love now. How blissful must it be to cross over to a new better existence than the troubles here ...

Rest easy angel, you are and will be missed 💙
