

Sherray Danielle Compton

June 21, 1990 - January 5, 2021

Sherray Danielle Compton

Sherray Danielle Compton born on June 21st, 1990. She passed away abruptly on January 5th 2021 after a difficult battle with Covid-19 at Kaweah Delta Hospital.

Sherray was a loving and supportive person to anyone who knew her and was blessed with two beautiful daughters, Aubry Rose Beltran age 6 and newborn Autumn Rose Beltran. In such an unforeseen tragedy Sherray passed away from Covid-19 two weeks after giving birth to her daughter Autumn Rose Beltran.

We are all in deep shock and sorrow for the loss of Sherray who was only 30 years old. She leaves behind two kids, her soul-mate and best friend of 16 years, Victor Beltran. Four siblings, six nieces and a nephew whom all loved her beyond words. As well as her father and countless friends and family members too.

When thinking of Sherray the first thing that comes to mind is her love for her family, unmatched work ethic, and bubbly personality. She took her jobs very seriously and it showed. In each of her jobs, she rose through the ranks to management. Her most previous job at The Home Depot is where she truly

shined. She held many positions within the company and became a valuable asset there. Many regulars, looked forward to Sherray's welcoming smile and knowledgeable insights. There is no doubt her absence will leave a hole in the company that will be nearly impossible to fill.

Sherray was easily one of the nicest persons you could possibly know and her affectionate personality made an impression on the lives of all that came in contact with her. To her daughter Aubry she was a hero and a role model. To her siblings she was nurturing and supportive and to Victor Beltran she was his soul-mate, lover and best friend. To many friends and family she was bubbly, outgoing, supportive and responsible.

An angel gained her wings too soon, Sherray Danielle Compton you'll always be loved, and missed forevermore. Even though you didn't get to meet your daughter Autumn, she'll surely know who you were. A quote from John T. comes to mind when thinking of Sherray, " A beautiful appearance may last a few decades but a beautiful personality will last a lifetime." Her personality and presence will leave an impact on us forever. We will always love you, until we meet again, Rest in Peace Sherray.
