“ *My Heart is breaking, as I just got the news from His Mom. I remember our talks Spencer and I had in San Antonio many times, and now I lift up his family in this sad time, I know there were many timeless moments shared, and where we never understand these times, or know the reasons, we must trust, that Our God knows every answer, and will NEVER leave us comfortless. May His love, and Hands comfort your hearts this day, and In quiet times, when memories bring the feelings that fill the heart, my thoughts turn to you, and the world seems wrm and special, because our lives touched, and shared a part of us! My love and prayers are with all of you. Steve Sanborn*
