"When I first met Stacey it was love at first sight. After a short time of dating I made a promise to her that I would always love and care for her and the boys. I will continue to honor that promise and commitment. I love you more than all the water in the ocean and all the blue in the sky. I miss you so much." -

“ *I never thought I would meet another woman who cherished the forests as much as I do, I think she even did more so than me. She gave me my interest in foraging & showed me how to be brave if I were alone in the woods.*

“ *Met Stacey in the nursing program at C.O.S. She was a smart and caring nurse. Never said an unkind word about anybody. I'll always remember her smile and giggle. I know how much she loved volunteering and working at the Care Pregnancy Center . She loved the Lord and I look forward to seeing her in heaven .*
