

## Star Michelle Sedillo

June 6, 2005 - January 27, 2023

Star Sedillo, 17, of Visalia, California passed away on Friday, January 27th after being involved in a tragic car accident while getting lunch with her boyfriend. She was born on June 6th, 2005, in Visalia, California. She is the daughter of Amanda (Stevens) Watson and Anthony Sedillo.

Star was a senior at Crescent Valley Charter. Her friends and family loved her giving spirit and friendly personality. Star was a very accepting person who held no judgment against people for being true to themselves. She was a mix of goofy, strong willed, and loyal to those whom she loved. She loved animals; Star dreamed of being a veterinarian. She enjoyed going to the beach and camping trips with her boyfriend Chris. Star also enjoyed helping others. Her final helpful act was choosing to be an organ and tissue donor. Gone way before anyone was ready to say goodbye. Her sweet smile will be greatly missed by all who loved her.

Star is survived by her mother, Amanda (Stevens) Watson, her father Anthony Sedillo, her sister Miley, brother Kayden, boyfriend Christopher Lundsford, her grandfather's Troy Stevens, and Mike de Leon. She also had many aunts, uncles, and cousins who loved her, but she had a very special bond with her Aunt Connie Rhea.

Star was preceded in death by her grandmothers, Jewel Stevens, and Sally Sedillo. The family takes comfort in knowing that they are all now together, multiplying the number of Angels watching over us.

Arrangements have been made through Salser & Dillard Funeral Chapel.

There will be a viewing for Star on Sunday, February 12, 2023. Family viewing will be from 3:00 pm - 5:00 pm. Public viewing from 5:00 pm - 7:00 pm. “ We have taken so many trips camping with star star. When I heard she never caught a fish me and my son wanted to change that. We went camping to a lake , me , star , Chris and Kenny and midnight our dog . We brought everything you could possibly need to catch a fish. We even rented a boat because we were not having any luck on the side of the lake catching a fish. I thought with a boat we were for sure going to catch one . Well we tried and tried and no luck . At one point star was looking in the water and watching this trout just watch the bait and not biting it. Star then got in the water and thought she could get the fish herself. We had so much fun trying to catch a fish. So me Chris and star left that camping trip without a fish but that was ok cause we had so many more camping trips trying to catch a fish . Star was very special , sweet. I thought of her like my own daughter. It was good we didn't catch a fish the first few trips because that made us keep trying . We had so much fun and went on many camping trips just to catch a fish . Star was so excitable and her eyes would light up being with Chris. Chris would light up being with star.

“*Star was the funniest person around. She could always make me laugh to the point of tears. She was very intelligent, strong-minded and worked hard in everything she did. The funniest memory I'd love to share was that she taught me how she did her make up and how she explained it being goofy. She was always telling me “ you got your lashes on, oooooo” she was growing up to be a beautiful young lady. She said the most random things and I will always remember how she could make me laugh. What she inspired me most about her was how hard working and determined she was. When she wanted something she went for it and got it. She showed me how much independence she had in her. I will miss you star and I love you. Give grama big hugs for us and we will see you again. Rest in peace my angel! Love, your cousin sabrina*

“*My beautiful, sweet girl. This is the hardest thing I have ever had to write. I hope you know how very much I love you. You are and will always be our bright shining Star. My heart hurts so much. You were taken before you even had a chance to experience your adult life. I know you would have been amazing. Rest peacefully in grandma's arms and know that I will be here for your mom. I will see you again someday and I can't wait to give you the biggest hug ever. Auntie loves you, always.*
