NAME: Stella Felix Zamarripa AGE: 57

RESIDENT OF: DATE OF DEATH:

OCCUPATION: PLACE OF DEATH:

Start story here

God saw she was tired, so he wrapped his arms around her and called her home. On Thursday

July 16, Stella Felix Zamarripa crossed over to her Eternal Residence to meet her creator.

Although our hearts are heavy and saddened, we have many treasured memories and had

amazing adventures of the courageous life Stella lived. Stella was a hard worker and was loved

by many. She loved her four children with all her heart, but life and love was transformed into

greater love when her grandbabies were born. When mommy and daddy said no Grammy said

yes. Stella's love for her family superseded anything else in life. In addition to that love, Stella

had a profound love for the word of God and weekly studies were essential for her. Our family is

ever so thankful for Sonja Caraveo, a friend and messenger who shared the Word of Life with Stella. Stella is survived by her three beautiful daughters, Lola, Serena and Emily, her only son, Mario Orlando Zamarripa Jr. Five grandchildren, Elias, Miguel, Sophia, A.J. and Ariana. Four sisters, Rosie Gomez of Visalia, Irene and Alvaro Pena of Tulare, Rachel and Fred Pena of Goshen, Carmen Felix of Goshen and one brother, Benny Jr. and Cathy Felix of Goshen. Numerous nieces and nephews who all had a very special place in her heart. Stella is preceded in life's final journey by her parents Benito Sr. and Dolores Avena Felix and her brother Francisco (Frank) Felix Sr. Our family would like to appreciate and extend their gratitude to Kaweah Delta District Hospital who provided Stella treatment and comfort during this lifetime. Visitation will be held at Salser and Dillard Funeral Home Sunday July 26, 2015 from 4 PM to 7 PM. Celebration of Stella's life will be held at Salser and Dillard Funeral Chapel at 10 AM followed by graveside service at Visalia District Cemetery.

“ Stella lived down the street from me in Goshen, along with Rebecca Jordan, Kim Mathis, and myself, we were quite a bunch. From walking to the school everyday, endless phone calls to decide what we were all wearing and walks to Teresa's Market, we were life long friends. Stella was a beautiful person who would give anyone her last dime. She had a heart of Gold and truly was one of God's special children. We hadn't seen each other in a long time but Stella was a life long friend with a smile fit for an angel. My love and prayers go out to her beautiful family. The world and now heaven will truly be blessed by knowing her. All my love and prayers Mary Louise Souza Gwinn

“ *I will never forget that little bug you had. On payday we would all get into it and go eat hamburgers in Visalia , i remember when you went to San Jose and went to Andrew Hill. There are so many memories i have with you that i am grateful for. It hurts knowing you are not here on this earth with us anymore. But knowing that someday we will see each other again somewhat eases the pain. I love you and i am so grateful God put you in my life.*
