

Stephen Paul Ballesteros

November 23, 1955 - March 23, 2020

Stephen P. Ballesteros earned his wings at home on March 23, 2020 at the age of 64 after complications from being exposed to heavy doses of Gamma Radiation that led to years of crime-fighting and years long battle with a nefarious criminal named Cancer, who has plagued our society for far too long. Civilians will recognize him best as The Hulk. He was known as a fighter who overcame so much.

He leaves behind his Beautiful Caring Wife Rosa Maria Ballesteros

He leaves behind his Brother Arthur Ballesteros

He also leaves behind his children whom he tolerated over the years; Stephanie (with Nathan) his oldest daughter who thought the world revolved around her, Pauline who was his beautiful little Sunflower seed, and his youngest Vincent who will be taking over all the cleaning responsibilities and better not mess it up because he will be watching!

He will miss his adorable Grandchildren; Marilee, Aliyah, and Hunter grow up to be the incredible people they are meant to be as well as any future grandchildren.

And most importantly of all he will be leaving behind his recliner, Man Cave,

and blue flamed F-150 Ford Silver truck

Steve worked for Alcoa Aluminum for 24 years and retired. He then worked for PTC transportation as a School Bus driver for 12 years before retiring.

Steve AKA "Baby Huey" was best known by friends and family for his love, generosity, humor, his loud cleaning music and long, entertaining stories and jokes, which he loved to repeat often. His naps in his recliner. And his love for the Dodgers and the Cowboys. Steve had such a love for everyone and an infectious positive spirit. He never complained about his many health battles but took them on as a Warrior. His spirit and smile always enveloped the room around him.

He now finally has that smoking hot body he always wanted... Having been cremated.

A Memorial Service will be held 12pm Saturday, March 28, 2020 at Salser & Dillard Funeral Chapel, 127 E Caldwell Ave, Visalia, California.

“ I’ll always remember one of my first morning in our new place across the street from The Ballesteros family & hearing music blasting from the garage early in the morning, thinking “Who is doing this so early?” I look out my window & see this guy out there scrubbing his truck. That guy was Steve! As we got to know him & his family, we got to see what a great attitude he had, sense of humor and happy go lucky personality. He & my husband would often yell at each other across the street, trash talking as Steve loved the Cowboys & my husband is a Giants fan. We are so thankful to have met him & his beautiful family. We send our condolences to Rose & the family. May Steve Rest In Peace, cleaning his truck up in heaven.

“ I just want to say how incredibly fortunate I am to have met Steve and the rest of his family. Our families shared lots of memories together and the one thing that stood out the most was his positive/quirky attitude. He'd joke around all the time and always had people laughing no matter what the circumstances were. My heart goes out to his wife Rose and his children during this time. It's never easy losing someone you love but at least we can be happy that he's pain free and in good hands up there! We'll miss you Steve!

“ *I'm so sorry for the loss of Steve. I grew up across the street of the ballesteros family and played with his kids. I think what stands out the most is his laugh, it's a hard one to forget. My sisters memory is when he pulled her out of their pool after she fell in at 5 years old. My heart goes out to you guys.*

“ Steve and I never met, as we connected via Facebook about a year and a half ago. I currently reside in Florida, so we had hoped to meet one day. We were kindred spirits in that we were both life-long Dodgers fans, were politically liberal, and had both battled cancer. As a result, we shared many conversations via Facebook and Messenger on an array of topics. I know Steve was a family man, devoted to his wife Rose, his children and grandchildren, as we shared photos and stories of our families, especially of our grandchildren.

We often kidded each other about our ethnic backgrounds, but of course found time to discuss ethnic food and culture. We also joined forces on Facebook to defend our Dodgers and battle our political opposites. If Steve had any fault, it was that he was also a Dallas Cowboys fan.

I was blessed to have Steve in my life if even from a distance and for such a very short time.

Amigo, you will be missed!

“ *I will forever miss my Primo...I was actually married to his cousin Mike but Steve called me Prima which pleased me. We had many conversations about the name Ballesteros. The meaning & origin. He was such a kind man & loved his wonderful family with all his heart. Rose was the love of his life, his children were such a blessing, and...his grandchildren were such beautiful lights in his life. He will be missed. Rest in Peace Primo.*
