“ Here in Oregon I guess this news caught me a bit after the fact. And a little off balance. Good bye to a friend. After all these years, so glad Mark and I talked less than a couple years ago. I can still remember being in the High Sierras with Ace, Joe, and Mark. The Honda 90 fishing trips. Unbelievable memories. And there were many more. Mark was a good friend and this news hurts.

Best to you Joe,

Dale Ellis (Ace's son)

“ Many years ago, I had the pleasure of working with Mark as a seasonal firefighter for two years. He, and his friend Bob were quite experienced and they imparted their knowledge to this “young rookie”! I really appreciated Mark taking me under his wing to train me during those two seasons of great life experiences! My condolences and prayers go to Mark’s family and loved ones in this time of heavy hearts.
