“ *I'll always remember Steven "negro" flores as a outstanding and brilliant individual and will forever wear his artwork on my body . I can sit here and go on for days telling you about all the good and fun times we had including the bad . A character and come median he was thinking of the time we would listen to new edition out loud while Steven would do the Micheal Jackson spin . lences ndoy But,when things were surious best believe Steven was a strong solid and massive figure of strength and his presence was strongly felt . To Stevens friends and family my condolences are wholeheartedly forwarded to you as Stevens name and presence lives onward towards his legacy .may he rest in peace.mad love to you Steven .
