

Steven L. Kabot

March 12, 1946 - July 23, 2018

Steven Larry Kabot

Steven Kabot, 72, died at home July 23, 2018. Born in Newark, New Jersey, he was the son of Nathan and Ruth Rader Kabot.

Steven was a devoted husband and father, known for his quick wit and the twinkle in his eye. He earned his undergraduate degree from Lehigh University and his law degree from Georgetown University in 1970. He met his love Florence on a blind date, and soon after they were married. After spending a year as an AmeriCorps VISTA member in Baltimore, they drove west to begin their lives in California. Their daughter Sara was born in 1980, the same year he went into private practice with McCormick, Ide, and Kabot practicing primarily municipal law. Steven was civic minded and a man of integrity. After retiring in 2016, he still aspired to make this world a better place and dedicated himself to his community, serving as Board President for Family Health Care Network.

Steven gave great hugs and loved golf and traveling. As a lifelong Yankees fan, a prized moment was having his picture taken holding Mickey Mantle's bat. He is survived by his wife, Florence, his daughter Sara, son-in-law Matthew Peterson, and grandson, Sam. He is also survived by a brother, Gary, from North Carolina, and a sister, Marlene Kornberg from Florida.

In lieu of flowers donations may be made to the Tower Society at Lehigh University; 27 Memorial Drive West; Bethlehem, Pennsylvania, 18015. Arrangements are being handled by Salser and Dillard of Visalia.

“ As a Director at the California Housing Workers' Compensation Authority, I had the pleasure of having Steve as our Counsel for many years. However, it was only a few years ago that I discovered we were both transplanted New Jerseyites and had attended Lehigh University. Thoughts to Florence and the family.

“ I had the privilege and honor of working with Steve while he served as the City Attorney for the City of Exeter. He was very easy to work with and understood the law and explained it in easy to understand terms. My prayers go out to Florence and his family. He was a great person and I will miss his wonderful smile.
