Steven Paul Morales

1976-2021

In loving memory of Steven Morales who went home to be with our lord in the early afternoon on November 05th, 2021 in ICU care at Tulare Adventist Hospital due to the aftermath COVID left in his body. He fought hard for 8 long weeks until he was finally ready and he passed peacefully in the arms of his wife and soulmate, Elvia Morales. He was a devoted father to his son, Andrew Rodriguez, and daughter Tatiana Morales and a second father to his Son in law Vicente Ramirez and Daughter in law Stephanie Magana. He was the best grandfather to his 3 beautiful grandchildren, Isaac Ramirez, Illeana Ramirez and Augustus Rodriguez. He was the loving son to Modesto Morales and Lodie Morales and caring brother to Robert Morales, Cristina Foley and Lori Molina. Steven and Elvia have been in love and together for the past 28 years. They share a love story like no other. Elvia was all he had; they developed a relationship so strong nothing could tear them apart. Steven was the life of the party in one way or another, whether it was being the DJ for the event, the Bartender, the photographer or simply the one to make us all laugh. He really was the jack of all trades. His interests ranged from outdoor nature, to arts and crafts, to baking, to just simply playing with his grandchildren and watching them grow up. As years passed he was given so many nicknames, Esteban, People, Steve-O, PeeWee, Scuba Steve, my Grandpa Steve and

the best one of all GooglieBear. He developed these names from family close to him and each one has its own unique meaning. He was a wholesome person inside and out and that shows through the outpour of condolences and sorrows from everyone. While Steven was taken too soon from our world, his imprint of who he was as a person will never leave.

Acknowledgments:

The close family of Steven Morales wishes to extend our sincere thanks and deepest appreciation to all for your many acts of kindness, comforting words and prayers during this time of sorrow.

“ *Brother, I'm heartbroken that you are not here with us any longer. My fondest memory of you is when Joe would come over and give you and Robert "the spread." As soon as Joe came in the house you and Robert would start giggling and you'd beg him not to give you "the spread." Next thing we know Joe tackled you to the ground in an epic wrestling move to make you laugh. You would laugh so hard it was contagious. When I start to miss you, I think of that memory and smile.*
