“ Susie was such a kind lady. Always helping those in need...people and animals. She always was kind and listened as I discussed the Bible with her. She was a sweetheart. Always polite. A lady. :)

“ I grew up with Susie from a child till I was grown up. Our families always celebrated the summer months up at the lake and during Easter holiday as well. Susie was always an outgoing girl I never met a stranger she had the beautifullest smile on her blonde-headed girl that you've ever seen before in your life. Susie will always hold a spot in my heart as she will many of her friends and family. My thoughts and prayers goes out to all the family and friends that love Susie. Rodney Carter
