“ *On behalf of the Cano family - Gilbert, Norma, Tizoc, and Tepi - we would like to express our heartfelt sympathy to all her family. We were sad to hear about her passing. Teresa was a wonderful lady who made a huge difference in our lives! She took care of Tizoc and Tepi after school throughout their elementary school attendance. She cooked for them and made sure they were OK. She also became a good friend to our family, and we all feel lucky to have known her. I loved our conversations because she knew all about plants and the culture of Mexico, its music, food, and immigration to this area. We will treasure all our memories of her.*
