“ My son *Dominic* and *Terry* were friends for the last 5 years. They always made me laugh when they were together. Looking at them you would have almost thought they were brothers. *Terry* was always so polite and respectful. He would always thank me for the simplest of things from something to eat or drink or a ride somewhere. I was told that he thought I was a *Bad Ass Mom* that is probably the best compliment I have ever received. I was heartbroken when *Dominic* told me of *Terry's* senseless death. I was so glad that they had spent time together the week prior. He will forever be missed but his memory will forever be in our hearts. My thoughts and prayers are with his family. With love, *Sarah Forner*
