“ My favorite memory of mom was when we would have a candle light dinner and she always had the table set up with a table cloth placemats nice silverware or she had this nice gold set,. Everyday was a celebration she helped me realize that it doesn't have to be on a special occasion to do these things because every day is special 💕 Love you mom💕💕💕

“ *My favorite memory of my Grandma was strolling down the street carrying those big umbrellas she had singing. We would sing 'I'm singing in the rain! Just singing in the rain! Oh what a feeling I'm happy all day!'. And we would twirl the umbrellas and have the little shake and bounce in our feet...I can still hear her singing and smiling. I love you Grandma.*
