“ *Hi Theresa, it was so sad to hear of your passing. Gosh, I have known you since 7th grad at Rolling Hills where I remember sharing a locker with you. You were such a good and loyal friend and I never had reason to feel otherwise. I was not considered one of the most popular ones and in 7th grade I was a bit shy, but sharing a locker with you just seemed to come natural, even though we didn't hang around together all the time. I still have old pictures of all of us at our 7th grade end,of year fun day (I made a scrapbook and I look at all those pictures at times) . We had a whole groups of friends we hung with...and had a pie eating contest and all kinds of fun. (Maybe it was 8 th grade) ...it's been so long that I just remember in Rolling Hills. Rest in Peace. “ Thank you for the lovely service and chance to commemorate Theresa. I will always remember Theresa's smile and her chuckle which she shared at choice moments, and her loyalty as a friend. She was easy to talk to and a good listener, a rare commodity. She was slow to pass judgment on others. Even though Theresa was from Kansas, she was a true Californian to me, and introduced me to Cambria. Many happy birthday trips to Exeter to see the murals and snoop in the bookstore. Many happy memories. Thank you for being a caring and gracious friend who showed grace under pressure. I will miss you and always be grateful for your friendship.
