“ Sorry for your loss. This is from the Morton Family In Paragould Ar. My dad Eugene was Georgias baby brother. My brother Shelburn played with Tommy, Bobby, and Lenioul when we lived in California in the late 50's. Morton8@grnco.net

“ Being at Faith Baptist Church of Visalia when our girls were little was a time of many special memories. Though We were busy parenting two little ones and trying to keep up with young people, the many Godly faithful families including Tom and Linda Cribbs were a constant encouragement to a young youth pastor and wife. We thank the Lord for Tom's love for Christ and that we can look forward to sharing eternity with our Father in heaven. Tom's words of encouragement are what we remember most. Much love, Pastor Jim and Kim Saunders

I miss my dad everyday....it is so hard to think I will not see him again here on earth...one day I will be reunited with him in heaven...but until then I will miss him...

“ Leah I remember the many Sundays at Faith Baptist Church that your dad would make a point to come over and check on Lisa and I. He'd ask if we were ok and behaving! He would joke with us and also had a smile on his face! He will be very missed but we know we will meet again some day in Heaven! ?

“ October 10th was the day that the Lord decided that my dad needed to be with him. I loved my dad very much....and I will miss him terribly. He was a good dad and a good husband...he was also a good grandpa, brother, uncle, son and friend. He had strong opinions but he loved people and he loved God. He was always willing to help someone that needed help. He loved working down at the church...doing whatever job that needed to be done. No job was too small for him. He didn't do it for other people to think highly of him...he did it because he felt that is where God wanted him to serve. He loved the AWANA program and worked many years helping the kids learn their bible verses and develop a love for God like he did. I am so thankful to have had him as my dad...I am so thankful that he felt the need to make going to church a priority in our lives...and I am so thankful that he was so willing to set the example of what serving God in everyday life looked like. I know that in the days to come I will have times of great sadness because he is no longer with us, but I will find great comfort in knowing that one day I will see him again in heaven.

“ A couple of years ago when I was struggling to find a job after being on disability, I was selling 2 sets of golf clubs so that I could go to an interview out of town. Uncle Tom drove to Fresno and bought them from me, not because he wanted or needed them but because he knew I needed to sell them and get the money. That spoke so much to me about the type of man he was. I am so thankful that he was my uncle and that I was blessed with having him in my life. I will miss him greatly but know that he is in a better place now.
