

Tim Caffee

June 2, 1968 - May 12, 2018

Timothy David Caffee, 49, of Visalia, CA, passed away peacefully on Saturday May 12, 2018. He was in the company of many friends and family. Born in Bellflower, California to Mel and Lorraine Caffee, he spent the majority of his life in Visalia. Tim was a simple man with a big heart. In his free time, he enjoyed flying RC planes on the weekends, and riding his motorcycle with friends. He was known for regularly going out of his way to help friends, family, and even strangers. As a long time employee of the Visalia Unified School District, Tim became very well known throughout the community; he always knew someone no matter where he was. He will be deeply missed.

Tim is survived by his wife, Karolyn, his sons, Tyler and Dave, his sister, Kathy, his Aunts, Janie, Rosalie, his mother, Lorraine, and several nieces, nephews, and cousins. He is preceded in death by his daughter, Jami, his dad, Mel, and his grandparents, Oscar and Alice.

A celebration of life will be held on Saturday May 19, 2018 at 9 a.m. at the Mt. Whitney High School Gym. In lieu of flowers, please donate to The Friends of Tulare County Suicide Task Force Team, an organization Tim held very dear to his heart.

“ Tim was a blessing to know . We have so many memories of his son Tyler and our son Garrett being so close back in the day . Tim would always ask my husband how Garrett was doing when they would see each other cause they both worked in the same field. Years later Tyler was our sons track coach at La Joya, this year , what a small world to be reunited with Tyler again. Tim will always hold a special place in the O’neal hearts ❤️

“ There’s no words to discribe how much You will be missed. You were there when ever someone needed a helping hand or a friend to lean on. Through my family’s darkest times you were there and were so wonderful with our kids, my family will always hold a spot for you in our hearts that will forever be empty until we meet again. In the words of my daughter “where’s my chip?” A saying you would tell her every time you seen her, because she ate all your chips when you told her she could have “some” . You will be loved and missed always.

“ *I have been so thankful for you. You gave me your email and you would respond to me the very next day if not the same day when I told you that my room was too warm. I would tell you that I didn't want to be a pest and you would tell me that it was your job to help me. You teased me that you had just gotten my room perfect, ordered a part and everything, and then I changed rooms. I assured you that I didn't leave that room by choice, because you had gotten it perfect. I will sure miss you!*

“ Tim was the one of the nicest, kindest man I knew. My six year old son adored you and loved when you would ride your skateboard down the street. If he heard you outside talking to his dad he had to run outside to make sure he was able to talk to you or at least say hi. We sure are going to miss you as our neighbor, you were a great neighbor to have. My condolences to your family.

“ I would see him occasionally on the La Joya and EDHS campuses over the last 11 years. I taught his son, Tyler, in 7th grade at La Joya and every time I would run into Tim he would speak so fondly of his son. I am praying for your family at this difficult time.

“ I am a teacher at GWHS and I simply called Tim my air condition man. Tim would always go beyond the call of duty to make sure my room was a decent temperature. He did his work in a pleasant manner and was truly a person who liked to help others.

“ Tim was so friendly and helpful. He was there in a second if we had any AC concerns or needs. He also loved to visit and kept track of what was going on in people's lives. I loved that he still rode a long board. He will be dearly missed.

“ Tim, you were a big asset at our CSEA meetings. You always had the time to speak to us and give us your utmost attention. I will never forget the day you came by my car on your bike before the meeting to ask me something. You scared me with your loud bike. LOL. You will be missed by all of us. Prayers for you and your family my friend.

“ Tim has left us way too soon! He was always a good person. We had some great times as teenagers, and later as co-workers. He will be deeply missed by many. My morning commute will not be the same...i will always expect to see him pass by the opposite direction on Demaree with our morning wave exchange. My thoughts and prayers go out to his entire family.
