“ Papa , Although you should be here with us I know you're in a better place , I wish we can sit outside and talk for hours like we use to , I'll miss you until the end of time but You'll always be in our hearts forever, I can hear your voice replaying in my head , I'll never forget you .. I love you forever.

“ Papa I love and miss you so much! Our world will never be the same again without you in it. I know you are still here in spirit with us I can feel it but not being able to hear your voice or you joking and making fun of everyone is so hard to deal with. There is an empty space where you sat and an empty place in my heart. I miss you more every day but I know you are feeling so much better in heaven no sickness no pain no suffering. I love you papa. Forever my guardian angel!! ❤️
