“ Tony always left an impression on everyone he met, he was just that type of guy with his crazy stories, from youth to present. I had the pleasure of working with him at Central Valley Meat and it was a great listing to him talk he always had a smile on him and had shared his love of his wife and family. He was always so excited when he would go visit his family and come back talking about all the food he ate and weight he gained. He will be missed be everyone that knew him and we only have now the memories of Tony. May the Lord be with you Tony and you are now with loved one up there in heaven, hope to see you again one day. Love Sylvia Salcedo.
