“ *Traci was a very compassionate and caring person. I met her when I was at a very low point in my life. She genuinely cared and understood all that I was going through. She helped me as well as countless others. A true loss to the recovery community. I will never forget her. My prayers and thoughts go out to all her family and friends*

“ *My deepest condolences to Traci's family. Traci had a big impact on my life and I will never forget her. She taught me to believe in myself, and trust my intuition. Such an amazing woman.*
