“ Eddie, Mark, Jojo, Hannah and Hailey... Tracy and I met the first day of school at Valley Oak Jr. High. We became fast friend's from then on... Tracy taught me how to care be a friend. We were always more like sisters. She was at my house or I was at her house. We always laughed and had great times together! Tracy always had a very giving, caring and genuine loving spirit. Everyone always loved to hang out with Tracy!! Tracy and younger brother Travis were very close too. They had a special relationship while Trav was alive. She looked out for her brother. Tracy was a care taker, she was always looking out for others especially if somebody was being mean to you. She would fight for her friends. Tracy is loyal and loves her family and friends!! Tracy loved being married. Joseph you were her special guy and she was super proud of you. She got comfort in the fact that you were home safe. Eddie, Tracy was routing for you always, no matter what!! She loved you!!! She worried about you too!! Hannah and Hailey she glowed when she talked about you. She was proud of her girls and the beautiful young ladies you both are becoming. Tracy loved you all and her family was the most important thing in the whole wide world to her. More than anything...she wants nothing but the best for each of you. For you to be happy and healthy human beings. For you to continue to make her proud. Continue her legacy of love and light...I'm so sorry for the loss of your wife, your mom, your daughter and my best friend...your in my prayers Ausherman Family!! I love you all dearly...

“ Tracy was such a great friend to me over the years. We didn't talk all the time, but when we did it was just like no time had passed. We were so silly together when we were younger, sneaking the radio into her room and dancing around because she wasn't supposed too. Riding our mopeds 10 hrs a day through the orchards by her house. She will be so missed by so many!! RIP my friend

*Eddie,*

*Tracy was a beautiful person. I met her at Golden West. We were Letterettes together. Tracy was kind and genuine. Those qualities remained throughout her life. She would talk to you about anything from family, to high school days, about our Mom's, and you knew she was really listening. It was always a warm welcome when I saw Tracy over the years.*

*I was saddened to learn of her passing. My heart breaks with you. Keeping you and your children in my thoughts.*

*Tracy will be dearly and deeply missed. She was a caring and loving person, with a generous and kind heart. She loved Eddie, Mark, Joe, Hailey and Hannah with all her heart. Her enthusiasm was a wonderful way to encourage her loved ones to face their problems head on. She would have been proud to see them heal and continue on with their lives. Rest sweet Princess we love you and will always miss you.*
