

Trenity Rose Monsibais

June 25, 2002 - March 15, 2017

Trenity Monsibais of Tulare California passed away Wednesday, March 15, 2017 surrounded by her family after a 5 ½ year battle of leukemia

Trenity was born June 25, 2002 in Bakersfield, CA. to Alicia V. Monsibais. She is survived by her family and siblings, Gabriel Rios, dad, Kuraira 11 yrs , Alyssa 8 yrs, twinkies, AnnaBelle and Alex, 2 yrs, Rafael 19 yrs, Simone 16 yrs and grandparents of Bakersfield, Alicia & Gilbert Monsibais Sr.

Trenity loved being outside playing with her cousins or riding her bike. She enjoyed her grandpas cooking especially his bbq ribs and homemade menudo. She appreciated trips to the beach, digging her feet in the sand and soaking the sun beams into her beautiful face. She fought a very hard battle and yet still managed to smile and show her spunky personality. She inspired so many and made a huge impact in the short time she was here. Her life was more than just cancer, her life was purposeful and full of hope. She was loved by many and will be dearly missed.

The family would like to extend our deepest appreciation to the nurses and doctors of the oncology unit at Valley Children's hospital of Madera, CA and a special thank you to her palliative care team nurses Monty and Breanna and Dr. Sine.

We would also like to thank our huge support team Angels on Earth Organization and all our family and friends who have been by our side through this journey. Flowers may be sent to Salser and Dillard Funeral Chapel for the services.

Fly high baby girl...fly high...

“ I've known the family for many years and once I got to meet Trenity at the beginning of her battle with Leukemia and she explained her illness to me. She was a true definition of strength and always had a smile in every picture I've seen of her. My family sends The Monsibais Family our deepest condolences and will continue to pray for her siblings as I can't imagine their pain right now. Rest in Peace Beautiful!

I have been following Trenity's journey to heaven on facebook. What always struck me as such a powerful message was her smile - She never lost her ability to smile no matter what she was going through she always had a smile on her face. Sometimes when I would face a hardship I would check facebook and see her smile and suddenly my hardship didn't seem so hard after all. She was such an unexpected encouragement to me even though I have never met her in person. I just knew if she could still smile I should to.
