“ *My heart is shattered and I will truly miss you Trina 😞 All the laughing, all the heart to heart talks. Just the thought of not being able to talk to you at any given moment, is going to continue to be heart shattering, every time I have something to tell you. Especially our inside joke of the portrait you hung on the wall of the sexy woman!! That memory of every time I'd see that portrait and we'd look at one another and laugh till tears flowed, will be with me forever 💖 You'll truly be missed for sure my dear friend! Thank you, to be a part of my life. You're loved by so many 💖 Rest in paradise, beautiful soul 🙏💖*

“ I remember when I worked with Trina at C.V.R.S. She and Veronica introduced me to the now famous gas station breakfast burrito. Whenever I was running late to work I would stop and get us both breakfast burritos. Then when I arrived late she would start to scold me and I would tell her its her fault because I bought us breakfast burritos.  
I have so many memories but that one will always make me smile.

“ Aunt Tri....you are loved and missed by so many of us. You touched so many people. It still doesn't feel real that you're gone but I find peace knowing you are with Jesus and keeping grandma company now. We all miss you so much. RIP aunt Tri love always
