“ *Velma was an amazing women of strength. And I will always remember how much she loved her family. I can remember one time her making doll clothes for her daughter Christina. So she could enjoy playing with her dolls. I am sure it made her smile to see Christina happy. By the way the clothes were beautiful. She was talented. She will forever be embedded my heart. We will miss her and her beautiful eyes. God bless you Tia Velma.*

“ You were such a wonderful aunt to us all. Idk what we would have done if we didn't have you tia here as a second mom to us growing up . From buying us school cloths, to watching us run in the Jesse Owen track meet, to picking and taking us to school . You fed us when we didn't have nothing and always showed us so much love . Tia you taught us so much in life and I just want you and Christina to know that I'll forever be thankful for all you have done for us . I love you very much and know you will continue to look out for us from heaven. No more suffering tia , no more pain .. See you when I get there in heaven with you tia . Rip my beautiful tia.💕💕
