

## Vicki Lee Oden

May 22, 1953 - September 23, 2022

Vicki Lee Oden was born May 22, 1953 in Yuba City, California. She passed away on September 23, 2022.

She was a much loved daughter and sister and was a friend to nearly everyone she met. One way to describe her was that she was "sweet". But more than being sweet, she was kind and generous towards others.

Vicki's early life was difficult because at a young age she lost the ability to walk and talk. She struggled for several years, but her persistence paid off as she eventually regained her mobility and speech. She had an infectious personality and a beautiful smile. She loved Clint Eastwood Westerns, Scooby-Doo and monkeys.

She is preceded in death by her Mother and Father, her younger sister Nancy and her other brother Kenneth. She is survived by her sisters Karen Chin (Bobby) of Sunnyvale, her sister Linda Delgado (Bismarck) of San Francisco and her brother Keith Oden (Tana) of Visalia and numerous caring and loving nieces and nephews.

The family would like to give thanks to the Good Shepherd Home (Judy) and New Horizons and their special, attentive staff. Marcie, thank you.

Services have been entrusted to Salser & Dillard Funeral Chapel. Memorial Tributes and condolences may be offered by logging onto [www.salseranddillard.com](http://www.salseranddillard.com).
