“ *Vicky A Wilson was my mother and her memorial service was held at the Church of Latter Day Saints on Lover's Lane in Visalia, CA on Saturday January 27th at 5:00 p.m. Her ward Bishop and Relief Society president arranged for a small but intimate service so that we could remember my mother as the bright light of love and kindness that she was. My brother and I are very distraught over the unexpected passing of our mother and we love her and miss her very much. We are so thankful for the time she was able to spend with us and we are grateful for her love and care and support throughout our lives. We are also so thankful and grateful for the love and prayers that we have been receiving from the people who were touched by our mom. It warms me to know that she touched so so many people in her all too brief 67 years of life. We know that she is looking down on us and sending us love and blessings. We are truly blessed to have been allowed to call her friend, companion, and most of all, mother. We miss you so so much momma and we love you so much. Thank you for being our mother and our guiding light. We will do our best to make you proud and to honor you as you so richly deserve to be. 🥹❤️🙏💖*
