“ In the 43 years I have known Mrs. Ehoff and Ed, I never heard them say one bad word about any person. Of course, I wasn't around when they would vent their exasperation and frustrations with me. I could go on about what loving and caring people they are; but it is self-obvious to anyone who knew them.

In the last 35 years, whether I was around Visalia or out of state, I received a birthday card and Christmas card with a variation on the phrase "where ever you are, we are think of you Love Virginia and Ed Ehoff". There can be no question in anyone's mind where she now, and forever resides.

She will be always truly and deeply loved and missed by so many. -
