“ I have known Gigi since we were "kids" together at Porterville Developmental Center. Since I am only 7 years older than her, she always seemed like my little sister. I was her group leader during the time she participated in Special Olympics and made it to the finals in New York City!!! My little girls used to come out to her special birthday parties to celebrate!

Approximately 8 years ago, Gigi came back into my life when I "spotted" her at a local nursing home. Arrangements were made for her to come and reside in our care home. We have enjoyed her smile and warmth daily.

People are placed in our life for a reason! Gigi brought love in a simple innocent manner. Her place in heaven is guaranteed.

Go with God, my friend,

Gail Solorio
