

Virginia Pelaiz Ramirez

June 5, 1945 - March 5, 2021

In loving memory of Virginia P. Ramirez of Visalia, CA passed away March 5, 2021 at the age of 75. Virginia was born on June 5, 1945 in Visalia, CA. Virginia's husband, Bob, was quick to respond to her cardiac arrest through CPR which allowed loved ones to visit her at Kaweah Delta Hospital before her passing. Virginia retired from the Tulare County Early Childhood Education Program after 30 years of service. She loved working with the pre-school children in meeting their nutritional needs. Virginia had many friends from both her work life and church membership with the Apostolic Assembly. Virginia was married 61 years to Bob Ramirez. Bobby and Virginia met in New Idria Mining Camp California as children and shared many adventures together. Their adventure in life continued when they reunited as adults and married. Virginia and Bob created new adventures with their three children and later with their eight grandchildren. Their adventures included many camping trips to the Diablo Mountain Range, California Beaches, and Sequoias National Park. Virginia's memory will live on through her children and grandchildren as they retell the many wonderful camping trip stories to the 15 great grandchildren Bob and Virginia share.

Virginia was preceded in death by her parents, Jose and Maria Pelaiz, and siblings Estela Lopez, Joe Pelaiz, Hortencia Hernandez, Delia Donaldson, Jesse Felix, and Ignacio Pelaiz; grandchild Matthew Ramirez and great grandchild Joel Albert Ramirez. Virginia is survived by her husband, Bob

Ramirez, children Helen & Louis Aviles, Albert & Laura Ramirez, and Robert Ramirez; grandchildren Michael Aviles, Vanessa Tercero, Gabriel Ramirez, Joel Ramirez, James Ramirez, Telisha Ramirez and Bobby Ramirez; siblings Manuel & Patty Pelaiz, Tony Pelaiz, Elaine Morentin, Connie Pelaiz; and many beloved nieces and nephews across the state of California.

“ Our grandmother was a very kind and loving lady that would always be sure that her grandchildren were plenty full of love and all the things she would fix in the kitchen she loved. The kitchen she made our Christmas tamales in, Thanksgiving dinners in, taught us to cook and bake in, and fed multiple generations of Ramirez's with. She would always make spending the night a fun event by the various movies she let us pick out and the games we would imagine and play with her. Even a tether ball wasn't to much for grandma virginia to create, with a pillow stuffed into her pantyhose tied to a rope. We would often take it in for repairs, and she would sew it up and put another layer of pantyhose. The lessons she taught us as children still remain some of the most important lessons in life like the way she would pay .50¢ for every bible verse we could memorize and recite. The life she lived and the impact on all her children whether at the preschool or with us(grandchildren) or our children(great-grandchildren) is the solid reminder to us that heaven does exist because grandma Lita, as she went by to her great-grandchildren, is definitely waiting there to meet all of us. Thank you grandma and grandpa for everything we love you. Forever thankful, Joel A Ramirez Sr.

Ps. Please grandma, dont feed my junior too much of matthews greasy hamburgers!
