“ Dear Erma, How I loved visiting with you and Wendell at Bible and Breakfast! You two were an inspiration! Such an example of love, living and enjoying life, of commitment to each other and to God. My sympathy and love go out to you as you go forward. My prayer is that God will bring comfort to you through your memories. I'm sorry I can't be at the service tomorrow, but my thoughts and prayers will be. I'll write more when you get back home. This is written with my love, Vivian Henderson
