“ *My husband and I met Jan and Bill at Cody Kelly Dog park where we took our dogs to play. We struck up an instant friendship! We enjoyed dinner out together a few times and always enjoyed visiting with them and seeing them out and about town. What a lovely couple. Praying that God gives the family much comfort during this time. Much love, Jan and Martin Gocke*

“ *I loved working with Bill @ the Visalia Senior Center; he was always working to help groups compromise and work things out, with humor and his dedication to the quality of life in Visalia is sorely missed!!!! He was such a good "big brother " to me; I can't say "dad", it would make him mad! "I'm not that old," he'd say! I miss him dearly and big hugs & prayers to Jan & family.*

“ *I've known Bill for many years as I am a former employee of Visalia Parks and Recreation. He and his wife Jan created the first city website with Bill taking all the amazing photos and Jan doing the verbage. As the graphic artist for Parks and Recreation Bill always had many photos that were used in all promotional materials. There was never an event that he wasn't there. Many times he came to my office with amazing photos and stories of his trips to Canada and elsewhere. As an artist, he was always at art functions photographing other artists works. He worked with the Arts Consortium, Arts Visalia and continued his work with the City of Visalia. He was most proud of the contributions he made to the Visalia Senior Center. Bill's love of art and dedication to the people of Visalia are greatly appreciated. He was a presence that will be missed. Prayers to Jan and the family.*

“ So sorry for your loss of dear Bill. He was such a great man always smiling and took such beautiful pictures. I know some of us are in his pictures. We knew him from the Visalia Senior Center. He ran our Advisory Board Committee. We will miss his smiles and friendship. Our thoughts and prayers are with his family and friends who will dearly miss him.

“ I have known William since the day he was born. I am his cousin much older than William and I was his baby sitter when he was a little boy. I visited with him on the phone in the hospital. It realized I am the one person still on this earth that has known him the longest. He was always a sweet handsome little boy and from Facebook pictures and notes I know he grew up a handsome sweet husband/grandfather/friend loved greatly by his family. Love you , Aunt Selma
