“ *Bill was a very good friend, he was a great man and a generous man.*

The last legal service Bill did for me when I mailed him the check, he sent it back to me, gave my money back and handled my case out of friendship. I still have the letter he said that I was an honorable man. He was the most honorable man that ever walked in to a courtroom. I will miss him dearly. Rest my friend.

Bill was a stand-up guy. I tried to call him today to say hi and found out he was gone. What a wonderful man.
