“ *Mr Willie Ashford was a dear friend of mine. Today I received the bad news of his passing. I met Willie while I was in high school. He was so good to me.*

He done many things for me, he would make new driveshafts for my race car and never charge me a dime, he would tell me that was his contribution to the FORD Race team. He contributed a lot more, his friendship was the most valuable thing he gave to me.

I sincerely loved that man. And I will miss him very much. Hope to see you again. Your friend, Larry Burns.
