“ Thirty years have gone so quickly as we enjoyed knowing you. We have to smile when we think how we met. Pete , I and the family were so excited to visit the coast and do projects for you at the house. The lady came to live with us when you downsized to your home in Visalia. Over the years the lady brought us luck and love and now resides with us in Arizona. Knowing you were there to visit in Visalia was always like home to us. You are missed. Pete and Diane and Family.

“ Grandma,
I've tried and still can't find the words to say how deeply you're missed. It's so hard to believe that you're really gone. You were always the rock of our family; we're broken without you. The only comfort is knowing that you're reunited with the love of your life. Your wings were ready, but our hearts weren't. I love you so much and will keep you forever close to my heart.

“ *Dearest Monty & Kelly, I am so sorry to hear of the passing of your mother. I visited your mother last year after my mom, Dorothy passed away and I am so glad that I did. I don't know if you remember me or not, we haven't seen one another since we were kids but I remember both of you very well and your mom always stayed in touch with my mom through out the years. i would really appreciate it if one of you could please contact me. I have called your mom's number but no answering machine to leave a message. Again I am so sorry to hear of your mothers passing. She was always such fun. Just a warm and wonderful lady. I loved her dearly.*
Sincerely,
