“ Although I didn't know you like a true friend or family member, I do know that you loved shopping at Macy's. As a former employee of Macy's I enjoyed seeing you there with your son. You honestly were one of my favorite clients, your warmth your smile and above all your amazing energy was so comforting. You were always so happy and your love for your son always showed. Yanina you will be missed beautiful angel.

“ *Yanina worked in my special services preschool class as a substitute teachers aide. She worked one-on-one with a special needs little girl. In just a few short days I could see what a loving kind person she was. She spoke so lovingly about her son. I am so sorry for your loss. She was a beautiful young lady inside and out.*
